Mission Statement

"Everyone can achieve the extraordinary"

HESSLEVALUES

Respect

We respect ourselves; we respect each other; we respect our diverse community and our environment.

Resilience

We are determined, we do not give up when things get tough. We persevere. We know that learning is often hard but we know that it will be worth it.

Aspiration

We aim high; we have ambitious expectations of ourselves and others. We believe that we can make a difference to our local community.

Responsibility

We take responsibility for our own actions; equally, we are not blamed when we make mistakes. We see mistakes as an opportunity to do it better next time.

Integrity

We do the right thing. We are honest with each other and ourselves. We are comfortable in ourselves and proud of our values.

Kindness

We treat each other with kindness, courtesy and have good manners.

HESSLEVISION

All of our learners develop exceptional character.

In every phase, all of our learners achieve excellent outcomes.

All of our learners develop high levels of cultural and global awareness.

Our children, young people and adults will create positive and happy memories that last for a lifetime.

Students Weekly Messages

We are all different
and unique, but together
we are amazing

We are not everybody's
cup of tea, but that is ok

We must work
together

Wellbeing and Support

Pastoral Team

Roles and responsibilities: together we work to support students academically, socially and personally. Students have a responsibility to uphold the values of the school and buy into our culture.

Daily Routines: line-ups allow for a calm and settled start to the day. Any issues are addressed, and students can start each day prepared to learn. Tutors are the most consistent part of a student's daily routine.

Purpose: we support students in their academic studies and in their development to ensure they can move onto their chosen career pathway. High aspirations for all – we can all seek to improve.

The relationship between home and school is vital – we need your support to ensure your children meet their true potential. Attendance is key.

Attendance

At Hessle Academy we put a high importance on attendance and punctuality.

We expect students to aim for 100% attendance; however, there may be times when your child has to miss school because they are too ill to attend. Therefore, we realistically expect a minimum attendance of 96%.

For any absence, we request that you contact us and provide medical evidence if required.

Whilst we understand medical appointments may be required, we would ask that you try to arrange these for before or after school. Appointments during the school day require medical evidence to be sent.

Call 01482 648604, selecting option 1 to leave a voicemail or email attendance@hessleacademy.com

The Bridge – Personal Development

The Bridge is our format for all the fantastic personal development sessions that students receive while at Hessle High School.

These sessions range from students' daily tutor time, All About Me Day, Aspiration Day, Enterprise Day and many more sessions across Years 7-11.

The Bridge pulls all this together under one heading.

Communication and Information

- Building strong relationships between home and school is vital to support students' overall success and wellbeing
- A sense of community and belonging, which boosts students' confidence and motivation
- Students are more likely to stay engaged, improve attendance, and achieve better outcomes
- Positive home-school relationship creates a strong support network that helps students thrive academically, socially, and emotionally
