Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Continue ER SSP Membership	<p>Learners have had wider opportunities to participate in sporting fixtures across the region, resulting in an improvement in performance and an increase in victories. The Y5 boys football team will now play in the final</p> <p>During these fixtures, there has been a 5% increase in disadvantaged learners participating in events.</p> <p>The SSP carried out an audit of the schools sports equipment which has enabled the school to formulate a refresh plan. This will improve the quality of sports provision for future years.</p>	
New secure bike store installed	<p>Learners are confident that their mode of transport is secure during the day and so there has been a recent increase in the number of learners using bikes or scooters to access school. There has been an increase of approximately 40% in the number of learners scooting and cycling to</p>	

	school.	
Modeshift	<p>Initiatives such as Bikeability, the Brake Walk, Cycle to School, Beep Beep Day and Balance Bike Training have resulted in more learners being active to and from school as well as in school.</p> <p>Penshurst is an Outstanding Modeshift School. As a result, the Junior Travel Ambassadors have been invited to the Junior Travel Ambassadors' Big Event in Withernsea as a reward for being an outstanding school. 10 learners will be in attendance.</p>	
Broaden the range of clubs available	Multi-sports for girls has been implemented this year and has doubled the number of girls who are participating in after-school sports. We now have 16 girls who participate.	

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	43%	
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	46%	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	30%	
If your school's swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No	These sessions are delivered externally at a local sports centre
