Dear Parents/Carers

We are very excited to share that **World Art Day is coming up on 15 April!** To celebrate, we would love to invite all our pupils, and their families, to get making, exploring and expressing themselves through art over the Easter break.

During the holiday, I am setting a **special art challenge:**

Create an original piece of artwork in any medium and style your child chooses!

This could be **photography, painting, sketching, pastels, mixed media, sculpture, video**, anything that allows them to try something different and enjoy the process.

Why not make it a family project?

Encourage your child to:

- Spend some time outdoors and use what they see as inspiration
- Visit the local area or explore an art gallery
- Look into different artists and experiment with working in their style
- Play with colour, pattern, texture and materials
- Let their ideas flow freely!

This year's theme is "**Art Around the World**", so children might take inspiration from **nature, foods, clothing, traditions or cultural designs** from across the globe. The possibilities truly are endless. Their piece can be literal, abstract, interpretive... Art is all about the process and fun!

Once completed, please bring the artwork into school on Monday 13 April and **hand to your class teacher**. We will proudly display all submissions for the whole school to enjoy on World Art Day. If possible, it would be wonderful if each piece could include a **title and a short explanation** from your child about what inspired them and a description of their piece.

And to make things even more exciting...

A selection of entries will receive a special prize!

We can't wait to celebrate everyone's wonderful efforts.

I hope this challenge gives your child a fun and engaging focus over the half-term break, and perhaps a lovely opportunity for the whole family to get involved together.

Happy creating, and I can't wait to see the masterpieces!

Yours faithfully

A handwritten signature in blue ink, appearing to read 'S Whitaker', with a small flourish at the end.
